

Provisional Registration Supervision Plan

This supervision plan is a tool to facilitate the supervision process. The listed activities are required by the College. Additional activities may be added as needed, depending on employment setting and role, at the discretion of the supervising occupational therapist (OT).

This plan is the responsibility of the supervising OT and the provisional OT and should be used throughout the supervision period.

A copy of this plan should be maintained for the duration of the placement. If the placement is terminated before the exam or ends unexpectedly, please submit a copy of the plan to registration@coto.org or fax to 416-214-0851.
