2017-2020 Strategic Plan

Confidence. Quality Practice. Collaboration.

Vision 2020

June 1 marks the launch of the College's new strategic plan and three key priorities: Confidence in OT Regulation, Quality Practice by OTs and System Impact Through Collaboration.

We sought input from a range of stakeholders, including Ontario OTs. Your perspectives helped inform creation of the plan and we want to share that feedback.

Learn more about the plan and read the survey summary on our [Vision 2020](#) page.
